The final HEDIS 2016 NDC Lists are located on the NCQA website:

*Please note that the measures developed by the Pharmacy Quality Alliance (PQA) have their own separate NDC list, which is included in the MY 2015 P4P Manual and Value Set Directories download from the NCQA store (http://store.ncqa.org/index.php/catalog/product/view/id/2223/s/my-2015-p4p-manual-and-value-set-directories/). Those measures are: Proportion of Days Covered By Medications (PDC) and High-Risk Medication (HRM).
