Ronald P. Bangasser, MD, Memorial Award for Quality Improvement

AMP Commercial HMO (MY 2022)

In memory of Dr. Ronald P. Bangasser's contribution and his dedication to quality improvement, the Integrated Healthcare Association and its partners recognize the following provider organizations for demonstrating the greatest improvement in their region from Measurement Year 2021 to Measurement Year 2022, based on AMP Commercial HMO measures of Clinical Quality and Patient Experience.

The Bangasser Quality Improvement award recipients are determined by calculating the relative improvement for each provider organization's overall achievement score for this year compared to their overall achievement score for last year.

Note: If no single PO demonstrates a positive relative improvement within an entire region, IHA will not generate an award for that region.
